

Global Action Network meeting

Sustainable Food from the Oceans and Inland Waters for Food Security and Nutrition

Date: 18 October 2018 18:00-19:30

Venue: German Room, FAO HQ

17.45 - 18.00 **Refreshments**

18.00 - 18.05 Welcoming speech, Government of Norway

Inge Nordang, Ambassador

Permanent Representative to the UN Organizations in Rome

18.05 -19.25 Roundtable discussion

Livar Frøyland, Chair of the Global Action Network, Program Director, Institute of Marine Research

The outcome of the roundtable will provide guidance for concrete actions and future work of the network. Member countries will discuss and agree on scope/statement, themes of actions, working methods, useful tools and next steps, including how to engage with other stakeholders. In addition to the Concept Document, a discussion paper put forward to the meeting will facilitate the discussion.

Participants are encouraged to consider the documents carefully and prepare comments and questions. We expected participants to partake actively in the discussions.

Please find a List of Documents on the Network web page:
